The Game

Pig Out: If any of the dice outcomes is a 1, the current player's score for the turn is the number of 1's rolled.

Free Bacon: A player who chooses to roll zero dice scores one more than the largest digit in the opponent's total score.

Hogtimus Prime: If a player's score for the turn is a prime number, then the turn score is increased to the next larger prime number.

When Pigs Fly: The score for a turn is limited to 25 points minus the number of dice rolled.

The Game

Hog Wild: If the sum of both players' total scores is a multiple of seven (e.g., 0, 7, 14, 21, 35), then the current player rolls special re-rolling dice. When re-rolling dice are rolled and the outcome is odd, they are rolled again exactly once.

Swine Swap: After the turn score is added, if one of the scores is double the other, then the two scores are swapped.

Pork Chop: A player may choose to roll -1 dice, which scores 1 point for the turn, but swaps the normal six-sided dice with four-sided dice for all subsequent turns. Subsequent rolls of -1 dice will continue swapping the dice back and forth.

Strategies vs. AI

Base Strategy: Always roll 4 dice

Strategies vs. AI

Improvement 1: Invoke Pork Chop

Strategies vs. AI

Improvement 1: Invoke Pork Chop

0.21

Strategies vs. AI

Improvement 2: Force a Swine Swap.

- Free Bacon (Roll 0)
- Pork Chop (Guaranteed 1 point)

Strategies vs. AI

Improvement 2: Force a Swine Swap.

- Free Bacon (Roll 0)
- Pork Chop (Guaranteed 1 point)

0.07

Strategies vs. AI

Improvement 2: Force a Swine Swap.

- Free Bacon (Roll 0)
- Pork Chop (Guaranteed 1 point)

0.07

Improvement 3: Prevent a Swine Swap.

- Free Bacon (Roll 0)
- Roll extra dice

Strategies vs. AI

Improvement 2: Force a Swine Swap.

- Free Bacon (Roll 0)
- Pork Chop (Guaranteed 1 point)

0.07

Improvement 3: Prevent a Swine Swap.

- Free Bacon (Roll 0)
- Roll extra dice

0.047

Strategies vs. AI

0.8873

vs. always rolling 4 dice

Strategies vs. Humans

???

vs. unknown strategy

Strategies vs. Humans

Issue 1: Unpredictable Pork Chop

- Turns into a mind game

Strategies vs. Humans

Issue 1: Unpredictable Pork Chop

- Turns into a mind game

Issue 2: Cannot predict opponent rolls

- Harder to trigger/prevent Swine Swaps
- Harder to trigger/prevent Hog Wild

Hog Contest

“A submission scores a match point each time it has an **expected win rate above 50.0001%**... Ties count as losses.”

Hog Contest

“A submission scores a match point each time it has an **expected win rate above 50.0001%**... Ties count as losses.”

“All strategies must be **deterministic, pure functions** of the current player scores... **strategies based on the history of the game** will be disqualified.”
