PredictWise was founded by David Rothschild an economist at Microsoft Research in New York City, but should in no way be construed as representing the views or predictions of Microsoft or any of its entities. PredictWise aggregates, analyzes, and creates predictions on politics, sports, finance, and entertainment. We created PredictWise because we thought it would be interesting and informative for people to better understand the likelihood of certain major events occurring, and to have that information presented in a manner that is easy to comprehend.
